## SINGING COMPETITION (SOLO)

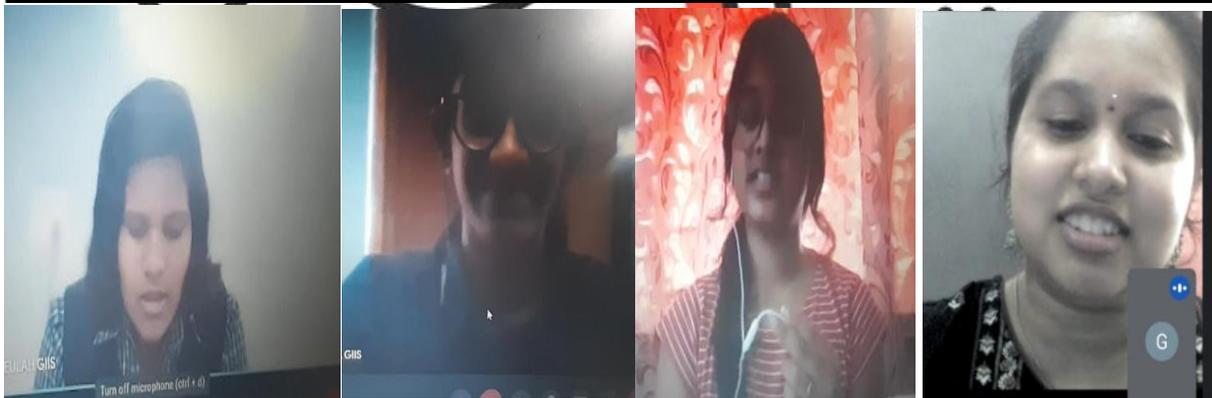

**“Patriotism is your conviction that this country is superior to all others because you were born in it”**

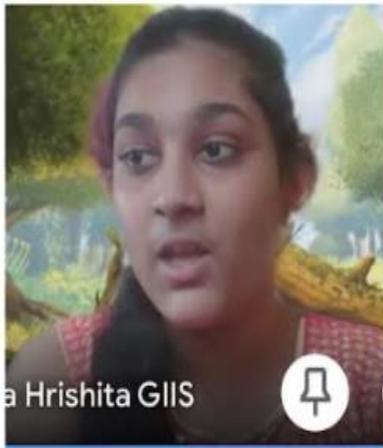

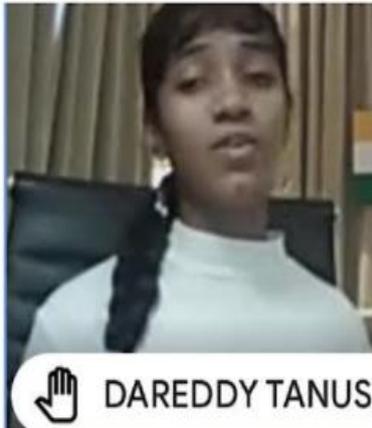

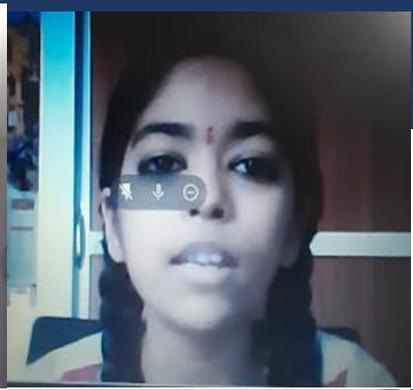

Music is the greatest communication in the world. Even if people don't understand the language that you're singing in, they still know good music when they hear it. Music ignites all areas of child development; it helps the body and the mind work together. Patriotic songs are those that demonstrate love for the country, or have themes that glorify self-sacrifice, lands' beauty, history of ideals.

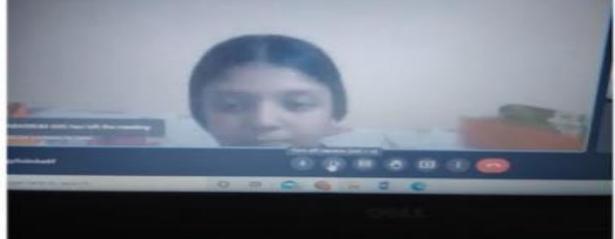

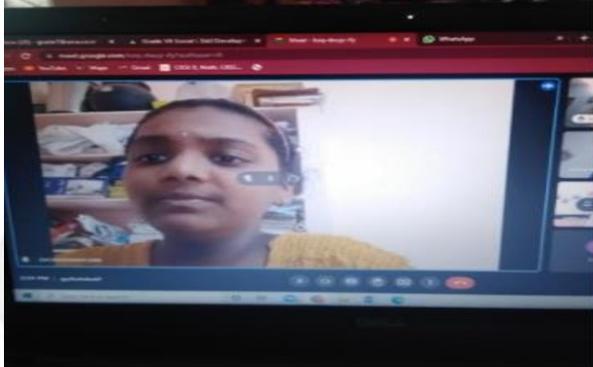

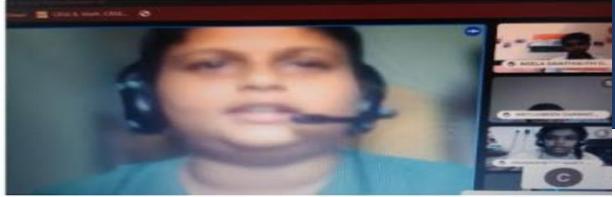

To promote singing talents in the school, A patriotic singing competition was organised virtually on 7<sup>th</sup> & 8<sup>th</sup> August,2021 to encourage patriotism in every child. The participants sang the songs with lot of passion, confidence and patriotic feeling. Each and every participant showed their mastery over voice modulation, pitch, rhythm and tone. The children showcased a sense of pride, self-esteem and self-confidence as a result of the competition.
