

ENGLISH WEEK

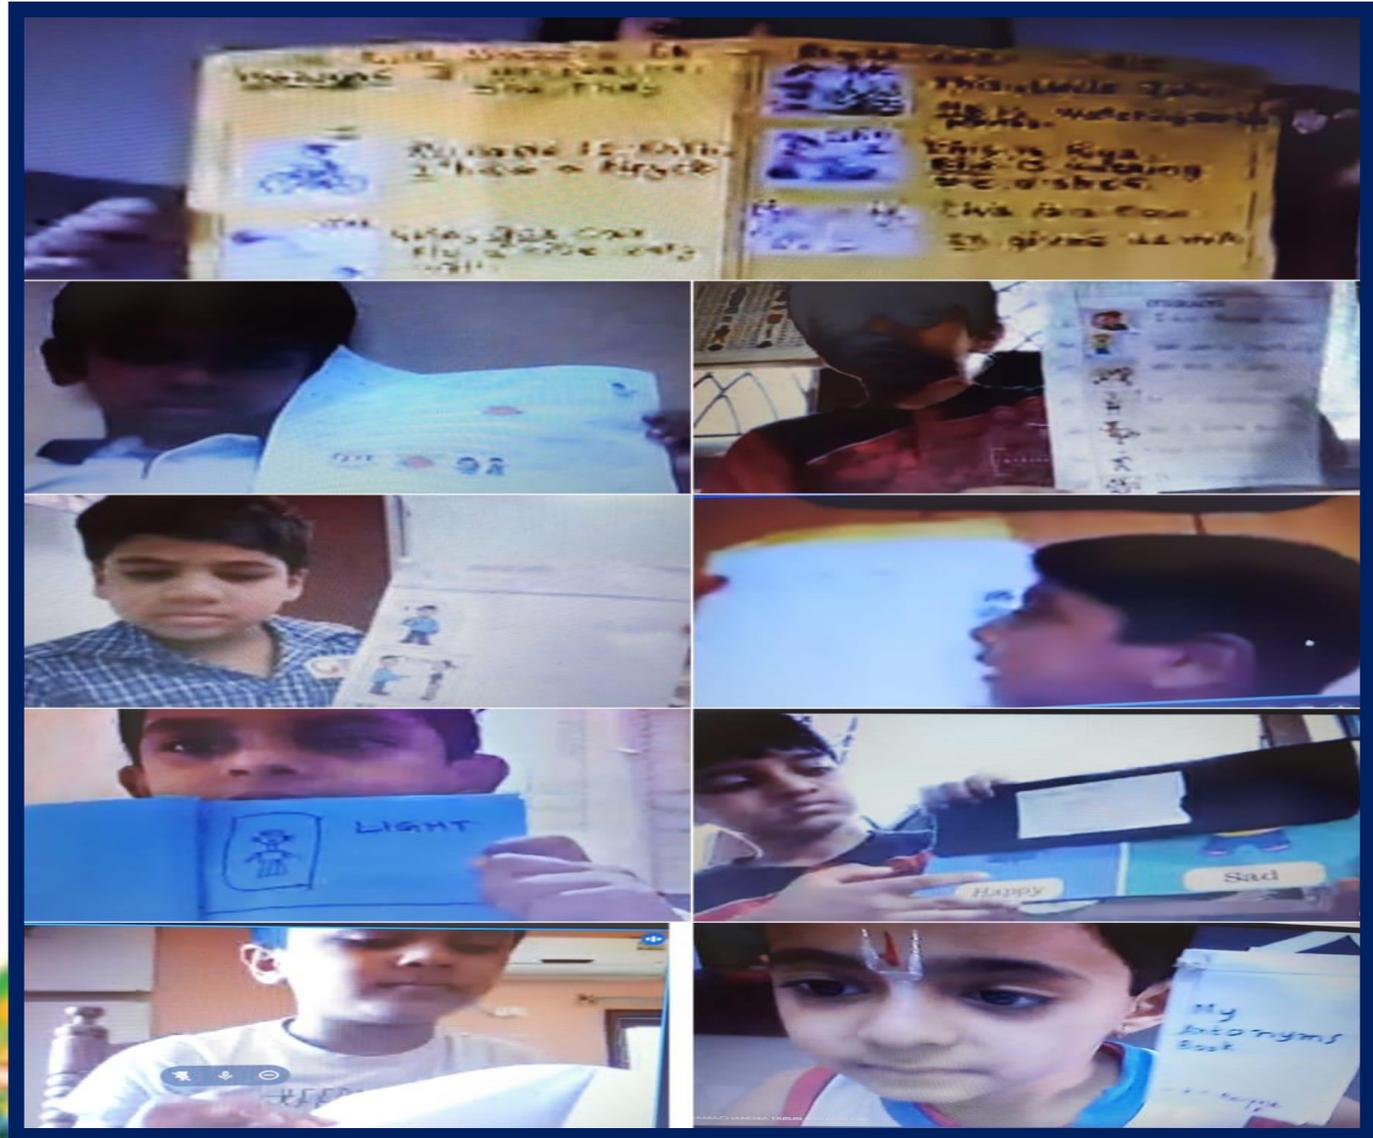

ENGLISH WEEK ACTIVITIES

The English week was celebrated virtually at GIIIS by the primary students from grade I to VI. It was celebrated from 3rd August to 7th August. The main objective of the activity was to enhance the language proficiency in the students. There were many activities like Spell bee, JAM, storytelling etc. which provided a good training ground for developing communication skills. A special assembly was conducted where children participated in poem recitation, story telling and few role plays. Few activities like making of slam book, story writing, making a book cover etc. were also given to enhance the writing skill of the children.

The students participated with great interest and zeal. The main motto behind the celebration was to enhance student's explorative thinking skills and to sharpen the LSRW skills.
