Father's Day Celebration

Father's Day celebrates bond between relations. Children make their father feel special & tell how special he is to them. From surprising him with a thoughtful gift, to finding the sweetest wishes and sayings to write in the Father's Day card, there are plenty of ways to make him feel like the world's best dad.

G.I.I.S fraternity celebrated Father's Day virtually with great enthusiasm. Students of Primary wing (grade 1 to 6) showcased their love and respect for their father through various activities such as making Eco-friendly paper bags, paper shirts, photo frames, greeting cards etc.

The spirit of our young students did not get dampened during these unprecedented times, as it was evident from the way they celebrated this coveted day, portraying their unending love and gratitude for their father.
