

**MAKING DAY: PHOTO FRAME**

To inculcate creativity in kids, GIIS Pre-Primary department organized photo frame making activity on 13.08.2021. Learners passionately participated in the activity. These activities enhance mental health and well being as well as fostering a whole range of developmental skills in pre-schoolers, such as: Enhancing students hand eye co-ordination and building levels of manual dexterity. Craft encourages children to play and experiment in a relaxed environment.
